PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

We completed another successful year at Oakland Elementary School. Our students showed growth in several academic areas and participated in enrichment activities that were beneficial to others as well as to themselves. Among our accomplishments are the following:

32 percent demonstrated gains on PACT assessments

All of our students participated in service learning activities through our student council programs with Alan Amick as president.

The school was recognized as a National Exemplary Site for the HOSTS program.

A Roots and Shoots intergenerational garden was started.

A fifth grade class was named "Champions of the Environment" for their recycling efforts at school.

Our teachers worked very hard this year. We renewed our 10-year accreditation with the Southern Association of Colleges and Schools and completed the five-year school renewal plan. One teacher is National Board certified and four additional teachers worked on completing their requirements for National Board Certification.

Tracy Powell was selected as Teacher of the Year for Oakland. Julian Gale received the First Year Teacher Award for Oakland. Kelly McCalla, former South Carolina Teacher of the Year, was awarded the Milken Foundation Award.

We appreciate the work of our dedicated PTO and School Improvement Council. Their major focus this year was on replacing playground equipment.

Oakland is a warm, nurturing school where all students have the opportunity to become all that they can be. We are glad that you are part of it.
Eleanor Rice, Principal
